Reliable Solutions Today!

June 26, 2009

Julie Greenspoon-Kelly
President
Destination St. Louis
7710 Big Bend Rd.
St. Louis, MO 63119

Dear Julie:

On behalf of the Board of Directors and the staff of Electrical Apparatus Service Association, I would like to take this opportunity to thank you and your staff for their outstanding service during the EASA 2009 Convention.

I am happy to say all details were handled efficiently and professionally; from the site visit to the contracting to the execution of the tours, special events and registration staffing. All details were attended to and the few problems we encountered were quickly solved. I would especially like to thank Jeanne Whitworth and Debbie Bueckman who consistently went "above and beyond," which we very much appreciated. Each is a true professional and a pleasure to work with; without them my job would have been much more difficult and the meeting would not have been the success it was.

I would not hesitate to recommend your company to any group meeting in St. Louis. Best of luck for the future and I hope to work with you again soon.

Best Regards,

Dale W. Shuter, CMP
Meetings & Expositions Manager
